Step 2: While at Seton, Click your WiFi setting and join the WaveCAST WiFi <i>*Please note, the Sound System at Church MUST be on for it to show up. If you don't see WaveCAST WiFi, it means someone has not turned on the microphones.</i>	 A screenshot of an iPhone's Wi-Fi settings page. At the top, it says "Wi-Fi". Below that, a toggle switch is turned "On". Under "Current network", it shows "WaveCAST WiFi" with a blue Wi-Fi icon and the text "Connected without internet / Not secured". Under "Available networks", there are four options: "Staff Seton School", "Student Seton School", "Admin Seton School", and "Guest Seton School", each with a blue Wi-Fi icon.
Step 3: Click the Icon on your Phone	 The WaveCAST app icon, which is a black rounded square with a white "W" and a red triangle to its left. Below the "W" is the word "WaveCAST" in red.
Step 4: Click on the FM_PLUS	 A screenshot of a mobile app interface. At the top, it shows the time "4:25" and battery level "75%". The main content area features the text "WILLIAMS AV" in white, with "FM_PLUS" below it. There are two horizontal lines below the text.
From there, you can control your own volume on your own device.
